

Dear Michael, the last 17 years with you I will never forget. Thank you for your love your understanding. Thank you for entrusting me with your precious children, my love for them will never waver. Through the peaks and the valleys, we laughed hard, and we cried but through it all you taught me to always rise above it. I miss you so much but I know that you are in a better place. Rest in Peace, my friend.

With love, Grace Rwaramba

Uncle Michael, in the short time we got to walk, you left the impression of love, passion and compassion for the ones who can't, or have not been blessed. Patience and Love even though the ignorance of the world, I saw you stand alone, as one man, a father, loving heart open to your family and the world. I say one man because you were, and always will be, my uncle, my loving uncle and true definition of a man. Always Loving You, always... Until we meet again! May your Soul finally rest on this Journey, Siggy! Rubba 07/01/09

ACKNOWLEDGEMENT

**Perhaps you sent a lovely card
Or sat quietly in a chair;
Perhaps you sent a beautiful spray
If so we saw it there;
Perhaps you spoke the kindest words
As any friend could say;
Perhaps you were not there at all,
Just thought of us that day.
Whatever you did to console our hearts
In your special way,
May God's many blessings be yours from day to day.**

THANK YOU FROM THE JACKSON FAMILY

Michael, we have been so privileged to have been able to call you our Boss.
You will forever remain in our hearts, we love you, respect you and we will forever
treasure our own fond memories of you.

'Each tear that is shed around the world is the note to the heavens.'
Bye for now, The Hayvenhurst Five – Janice, Jesus, Abel, Jorge & Olinda

Dearest Michael, how do we even begin to tell you what you meant to us?
What a beautiful journey we had with you. You touched so many lives and we are honored
to have been one of them. How blessed are we to have been given the opportunity to see
your dream of Neverland grow and flourish. What a lesson we learned in compassion,
generosity and love from you.

Because of you, the sound of children's laughter, the whistle of a steam train or the whirl
of a carousel, will always bring a smile to our hearts. You will forever be felt in the gentle
breezes rustling through the trees, in the trickling of the streams and in the stillness
of the valley of Neverland.

Thank you for allowing us to be a part of your dream. The enormity of what you gave and
created leaves us speechless. May you sing with the Angels above, our love forever,
Your Neverland Family

DooDoo, It is only once in a lifetime where you meet a true Angel sent
from the Heavens above. I count my blessings each day for I have experienced Heaven on
Earth. The wisdom, guidance, and knowledge will always be remembered and put into
action. I thank you for the memories, for they will remain in my heart forever and ever.
Our friendship will always be treasured. I write on behalf of my family.

We promise to always remain 'The First Family of Love'.

From the Bottom of our Hearts

WE THANK YOU and will love you FOREVER and ALWAYS.

ANGEL 'Dr.Heat' Cascio and the Cascio Family

Dear DooDoo, Even though you're not around I still feel your presence every second,
and in that I find my strength. Thank you and I'm forever grateful for everything you taught
me and all the knowledge you shared. You made me the person I am today and I promise to
make you proud. Our time together is treasured in my heart, forever and always.

I love you. I can't wait to see you again.

The Brando's have lost a special family member and our hearts are numb and broken.
I will never be the same but know, in my heart and for the world, his legacy will live forever.

With all my love, Miko and the Brando Family
